Sir,

Re Appointing a Lineman to look after the electric lights in Devaraja Market and in the City

In forwarding herewith a copy of Municipal Council Resolution No.35 dated 29-7-1944, sanctioning the appointment of a lineman for looking after the electric lights in Devaraja Market and other places, I have the honor to state that at present no arrangement exists to lookafter the large number of electric lights in Devaraja Market with 18 meter connections Constant complaints from the several shop owners are being received on account of minor troubles in the submain connections Formerly a peon attached to the market was employed to look after these lights on payment of a small allowance of Rs 2/- per mensem As his work was not satisfactory on account of the very large number of lights and as he could not attend to the work promptly the payment of the allowance was discontinued. However, it was thought necessary that a Lineman preferably a person from the Electric Department may be employed for the purpose and the proposal in this behalf was placed before the Municipal Council Meeting held on 27-4-44 when they resolved as follows -

"Resolved that a reference be made to the Superintendent, Power and Light to spare a competent Lineman on Rs 25/- per mensem."

The Superintendent, Power and Light, Mysore, was accordingly requested to send a competent Lineman for the work The Superintendent stated that one Siddiah who is a peon in the Devaraja Market has good experience of a Lineman and is capable of renewing fuses and insulators and also certified that he could be put on the work Accordingly the proposal to appoint Siddiah as a Lineman to lookafter the lights was placed before the Municipal Council when they resolved as follows -

Sanctioned His pay may be fixed at Rs.15 plus Dearness allowance and employed exclusively to look after the lights."

The extra cost in this behalf would be Rs 180/- per annum plus the usual dearness allowance, which will be met out of the A R.Grant of the Devaraja Market and his services will be utilised for the work in the Devaraja Market and street lights also. I request you kindly to obtain sanction of Government to the appointment on the inferior scale of a Lineman in the Municipality.

I have the honour to be,
Sir,
Your most obedient servant,

PRESIDENT.
